

Transcript for Video Zone: **Earth Hour**

- Andrew Garfield:** Hi, I'm Andrew Garfield and I play Spider-Man in 'The Amazing Spider-Man 2'. I'm proud that Spider-Man is the first Superhero Ambassador for Earth Hour. Earth Hour is a movement that has created massive impact around the world.
- Jamie Foxx:** Earth Hour isn't just about 'lights off', it's about people across the world coming together throughout the year, to join forces, to improve the planet.
- Emma Stone:** Earth Hour is special because it's a movement where you can take charge. Earth Hour gives you the power to inspire anyone, even if you're just one person.
- Jamie Foxx:** This year Earth Hour will launch the world's first crowdfunding and crowdsourcing platform for the planet.
- Emma Stone:** There are great projects from the crowd or the planet, happening all over the world.
- Andrew Garfield:** So you too can become a superhero just like Spider-Man!
- Jamie Foxx:** If you haven't, you need to get involved.
- Andrew Garfield:** Imagine what we can do this year, with Spider-Man by our side.
- Jamie Foxx:** Never underestimate your power, never underestimate what you can do!
- Andrew Garfield:** So, join me, and be a superhero.
- Emma Stone:** Use your power at earthhour.org
- Andrew Garfield:** Use your power at earthhour.org
- Jamie Foxx:** Use your power at earthhour.org
