Buddy: Just shut up and fly the plane where I tell you to.

Pilot: OK, OK. Just stay calm. We're moving now, but it takes a bit of time.

Buddy: Hey, I paid you to fly this thing outta here. Quickly. And we're still on the ground.

Pilot: OK, we're taking off. You know that most crashes happen on take-off, right? I assume you don't want to crash?

Buddy: Just fly.

Pilot: Hey, there's a door open. In the back ... how did that ...

Agent Sanders: Stop right there!

Buddy: What the ... ?

Agent Sanders: My name is Agent Sanders. I'm with the FBI. I want you to stop this plane right now.

Buddy: Are you crazy? I told you. I TOLD you they were going to kill me. How did you find me?

Agent Sanders: It wasn't hard, Buddy. I followed you here.

Buddy: Yeah, and jumped on my plane! Well, if you're so smart you know I don't have the money with me.

Agent Sanders: I know. But I also know where you hid it. So how about we turn this plane around, go back to the city and talk about this.

Buddy: No way. Man, do NOT listen to her. Just take off. Take off now.

Pilot: Listen, I don't want any trouble ...

Buddy: If you aren't gonna take off, then move over!

Agent Sanders: Stop it! What are you doing?

Buddy: I'm not going back! I don't care ...

Pilot: Don't touch that, don't ...
