

Video UK: The UK study experience – transcript

Transcript for **The UK study experience**

- Vansha Sethi, India:** I love how everything is in the UK, so I love it.
- Dengyiming Wang (Adam), China:** The fact that, like, I'm going to a foreign university just presents me with so many different, kind of, possibilities, that's just so cool.
- Ashlee Yee, USA:** I can travel anywhere within a few hours. Everything is so close.
- Iris Yeh, Taiwan:** The countryside is really beautiful, and the history is really fascinating.
- Aabid Patel, Canada:** There's like this love of seeing these different sites that you, I mean you see in the movies or you hear about in school and stuff.
- Briana Pegado, USA:** The fact I wake up in the morning and look at this, you know, beautiful castle, it's just, it's just unreal.
- Harry Murrell, USA:** The music scene, the creativity, it's awesome. There's always something going on.
- Dengyiming Wang (Adam):** There are so many different ways of meeting people and people are just kind and nice.
- Will Chadwick, USA:** I have made so many new friends here. I think this is easily the largest influx of friends in such a short period of time I've ever made.
- Sylvie Vandenabeele, France:** It's a really active society, the student's union. With many, many different clubs, related to sports or culture.
- Marlee Whitford:** I know there are 53 just sports teams that you can join.
- Robert Udah, Nigeria:** You can't possibly finish everything here in the time you have.
- Dengyiming Wang (Adam):** I've been having a lot of experiences that I've never had in my past 19 years of life.
- Marlee Whitford, USA:** Coming and living in a different country has completely changed my outlook on life. I've found the person that I truly am and I don't have to be anybody that I'm not.
- Vansha Sethi:** I think I'm much more confident and I feel like I can do anything.
- Marlee Whitford:** I love it here, I do. It's amazing, it really is.
