

Lyrics to Yes I Can – **We're the superhumans: Rio Paralympics 2016**

Original song by Sammy Davis Jr.

Yes, I can, suddenly, yes, I can
'Gee, I'm afraid to go on' has turned into, 'Yes, I can'
Take a look, what do you see?
133 (lbs) pounds of confidence, me
Got the feeling I can do anything, yes, I can
Something that sings in my blood is telling me, 'Yes, I can'
I was just born today
I can go all the way
Ye-e-es, I-I-I-I can!

Yes, I can
Yes, I can
Yes, I can
Yes, I can
Yes, I can
Yes, I can
Yes, I can
Yes, I can
Yes, I can
Yes, I can
Yes, I can (in sign language)
Hey! Yes, I can ...
No, you can't
YES, I CAN!

Are you ready?
I can climb Everest, yes, I can
I can fight here all night and never rest, yes I can
I was just born today, I can go all the way
Yes, I can

WE'RE THE SUPERHUMANS
