

Transcript for **Camila Cabello talks about Beyoncé**

- Grimmy:** Camila Cabello, our guest this morning. And I've got to talk to you about something that we've ... I can't believe we've waited until now to talk about this. Because when you were at the Grammys ...
- Camila:** Yes.
- Grimmy:** ... you were part of something which was, like, I feel, like, 'steal', like the 'steal' of the night, like, the moment of the night at the Grammys, which was: you were on stage and you were, you were presenting?
- Camila:** Yeah, I was presenting.
- Grimmy:** You were presenting and in the crowd was, you know, every famous person in the world. So you've got, like, Beyoncé and Jay-Z and in the middle, Blue Ivy.
- Camila:** Blue Ivy.
- Grimmy:** And of course, the next day the headlines were: 'Blue Ivy is doing a weird "shush-y" thing to her mum and dad'. Do you remember?
- Camila:** What do you think that means?
- Grimmy:** I don't know.
- Camila:** I was ... I was ... I had a moment of just ... insecurity. I surprised myself.
- Grimmy:** Uh huh.
- Camila:** I was like, 'What does that mean?' I literally went into the ... I was like, I'm not going to go into this wormhole of, like, 'Do you think that she didn't like my speech?' or 'Do you ...?', like, what do you think?
- Grimmy:** I don't know. I think ...
- Camila:** I literally stopped. I was like, 'You know what? I'm not going to think about that.'
- Grimmy:** Right. We can't think about what Blue Ivy's ...
- Camila:** No. Because I feel like, she would like me.
- Grimmy:** Yeah. I think she'd like you. I took it as ...
- Camila:** Kids like me!
- Grimmy:** *(laughs)* 'I'm a favourite with kids, right? So, she likes me!' I think what she was doing was ... was, like, she was over the applause interrupting your speech.
- Camila:** Are you lying?
- Grimmy:** No! I do.
- Camila:** You really think that?
- Grimmy:** I think she was saying to, like, Beyoncé and Jay-Z, to her mum and dad, like, 'She's not finished. She's still talking.' So I think she was like, 'Be cool. Be cool.'
- Camila:** Aww.
- Grimmy:** Jay-Z's face in that, by the way, is my favourite face of the year.
- Camila:** I didn't really study that as long as I, you know, as I should have.
- Grimmy:** Please re-watch. Please re-watch. Because he is like, 'What are you doing?'
- Camila:** *(laughs)* No way!
- Grimmy:** Yeah! It's real ... he's like, 'Uh!'

- Camila:** No way! Oh my God. That's so cute! That's so adorable. No, I was ... I thank God that I didn't look down at the crowd while that was happening. Because that would have ...
- Grimmy:** Yeah, 'She's shushing me!'
- Camila:** No! Just ... no, no, no, no. Just seeing them there. Actually, just seeing people there.
- Grimmy:** Uh-huh.
- Camila:** I would have just been like, 'Wow!'
- Grimmy:** Yeah, you can't ...
- Camila:** The good thing is I had just come off ... off of Kesha's performance.
- Grimmy:** Uh-huh.
- Camila:** So I was like ... I didn't have time to be ... to think about it.
- Grimmy:** Yeah.
- Camila:** You know what I mean?
- Grimmy:** Yeah.
- Camila:** And, you know what's crazy? The day before the Grammys, I had to make this emergency trip to the eye doctor.
- Grimmy:** Right.
- Camila:** Because I can't see ... Now, oh my God, now I'm thinking about the Brits because I'm presenting at the Brits!
- Grimmy:** Yes.
- Camila:** And I can't see from far away.
- Grimmy:** So you can't read the thing.
- Camila:** So I can't read the prompters. And so ... my Grammys thing was long and I couldn't memorise it. And also, memorising it is terrifying.
- Grimmy:** Yeah, that's too scary.
- Camila:** It's terrifying.
- Grimmy:** It's TV and everyone fails.
- Camila:** So I had to go to the eye doctor and get glasses made and I had to put on my glasses.
- Grimmy:** I like the glasses.
- Camila:** But it was with my cute outfit.
- Grimmy:** Yeah!
- Camila:** So now I'm going to have to put on my glasses with the Brits and I'm wearing this pretty dress. Like, come on, Grimmy!
- Grimmy:** I think you can do it. You can wear those glasses. I think you just get them out and be like, 'These are my reading glasses.'
- Camila:** If I eat, like, ten bowls of carrots ...
- Grimmy:** Uh-huh.
- Camila:** Do think it'll ... is it too late?
- Grimmy:** I think if we do ten today, twelve tomorrow, sixteen on Wednesday ...
- Camila:** Do you think my eyes will be ...
- Grimmy:** ... you will be able to read it. You've got this.
