How to find a snack	Island dangers	How to shimmy up a coconut tree	How to go to the toilet
I feel like little bit of protein.	This seems like a pretty inhospitable island.	That really will hold you.	I'm pretty desperate.
Just crack it open.	There's some dangerous species in there.	You won't slip.	Do I need to dig a hole?
Don't crush it too much.	If you step on it, for your size, you'll probably die.	Ok! Now we're motoring!	So maybe if you could give me a little bit of privacy.
How does it taste?		I think that's as far as I can go.	

**4. Check your vocabulary: matching**

**5. Check your grammar: ordering – cleft sentences**

- What we're going to do is crack the shell open.
- What you have to do is dig the hole past your ankles.
- What we're going to do is stay well away from the centipedes.
- What you should do is avoid stepping on a stonefish.
- What I need is a survival expert like Nga to help me!
