

Transcript for **Zombie School**

- Geoff:** Welcome to Sawston College, my name's Geoff Peng. I transferred here just before the virus broke out. Apparently the Year 9 biology class was responsible for the outbreak.
- Science teacher:** So here we have a lamb's heart. Make your incision down through the wall of the right atrium and ventricle, like so.
- Student:** Are you OK, sir?
- Geoff:** I'm here to tell you how to survive at Sawston, stay alive and get those all-important GCSEs. There are five rules to keep your head at Sawston ... quite literally. Rule 1 – Don't stand out.
- Registration teacher:** Charlie? (Charlie grunts) Tiegan? (Tiegan moans) Geoff? (Geoff groans) Ethan?
- Ethan:** Yes, Miss.
- Geoff:** It's gonna hurt! Rule 2. Make sure you stay fit and agile and have a good pair of shoes on you. Zombie!
- Geoff's classmate:** Zombie!
- Geoff:** Hit the ropes.
- Geoff's classmate:** My trainers! They're not gripping!
- Geoff:** Rule 3 – Bring a packed lunch. If the virus doesn't kill you, the zombie school dinners will. Rule 4 – Stay out of trouble. If you get sent to the principal's office, you're never coming back.
- Student:** Sir, seriously, I'm not an idiot, I wouldn't break the rules like that. I did not bring my mobile phone into school ... Please don't eat me!
- Geoff:** Rule 5 – No matter how much you like someone, never get emotionally attached. When it comes to zombies, stay your distance.
- Drama teacher:** OK, guys, so we really want to see that raw emotion OK, so just pull at those heart strings.
- Boy actor:** My lips, two blushing pilgrims, ready stand to heal thy rough touch with a tender kiss.
- Drama teacher:** No! He's my leading man!
- Student:** It is a tragedy, sir!
- Geoff:** If you can follow my five rules, you may have a chance of surviving in this troubled, troubled world.
